THE GREEN MUSKETEERS

These are beautiful and our Green Musketeers had a ball making these for their Moms. Safe products allowed them to take all the time they needed to "HAND PRINT" these Mother's Day gifts!!!!

The tiles were made with Earth Safe Finishes Gouache and Colorants!!!

Ok GM's YOU ROCKED THIS!!!!

DID YOU KNOW...

THAT EARTH SAFE FINISHES PRODUCT LINE INCLUDES: **ACRYLIC PAINT**, **ACRYLIC GOUACHE**, **COLORANT**, **CRACKLE**, **DECOUPAGE**, **EXTENDER**, **GEL MEDIUM**, **GEL GLAZE**, **GESSO**, **HAND AND BRUSH CLEANER (I LOVE IT!!!)**, **INTERIOR VARNISH**, **LIME WAX**, **MARINE VARNISH**, **NO VOC VARNISH**, **PERFECT PAINT**, **POLYURETHANE VARNISH**, **PROTECTIVE WAX**, **SEALER**, **SHIMMER OPAQUE GEL MEDIUM**, **SHIMMER TRANSLUCENT GEL GLAZE**, **SHIMMER WAX**, **STAIN AND SEALER!!!** **WOW....IT'S A COMPLETE LINE OF PAINT AND FINISHES FOR ART, CRAFT, AND MARINE USE!!!!** AND IT'S LOW TO NOW VOC'S WHICH MEANS IT'S ENVIRONMENTALLY SAFE AND SAFE FOR YOU, YOUR FAMILY, AND YOUR PETS!!!

VOC stands for Volatile Organic Compound and ESF products are either completely free of VOC's or as in the case of the Marine Varnish, there is a very low VOC level. Marine Varnish has been used on boats and has lasted the test of time.

FEATURED ARTIST: GAIL GREEN

Talented and zany, Gail Green is as colorful a person as these creatively delicious Formica tags she created with ESF products. Each one is a tiny work of art and I just can't choose my favorite....mmmm..this one, no...this one...well see if you can choose just one!!!

Gail used the following ESF products:

- *Perfect Paint
- *Shimmer Opaque
- *Marine Varnish-Satin.

Designer, illustrator and author Gail Green loves "thinking outside the box...outside the box". She is a creative communications and design/illustration professional. Her licensed illustrations may be seen on products nationwide in the gift, stationery, and pet industries to name a few. Her brand "Sweet PETatoes" may be seen on craft products, scrapbook kits, party and gift items.

If that weren't enough Gail specializes in developing and teaching craft techniques and has written numerous books and articles about animals, pet responsibility and a variety of creative subjects. "The Ultimate Rubber Stamping Technique Book" and "Cat & Dog Lovers' Idea Book" and as columnist in Scrap & Stamp Arts Magazine she only lays way to her latest book, "Animals and Teens: The Ultimate Teen Guide" which was released this year.

To learn a lot more about Gail Green, our illustrator/designer or book her for a class visit and / or contact her at these online places:
